Dear Sirs,

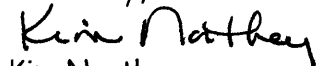

I would like to thank you on behalf of the entire HoMedics Team for your donation to the *American Cancer Society's Relay for Life* celebration dinner event that was held on August 19, 2006.

It was a wonderful time that not only allowed us to celebrate the great successes the Relay had this year, but also enabled us to create additional donations for **ACS**. Your incredible donation of the hall rental and equipment was an amazing contribution that certainly enabled us to put the money raised directly to the place it needed to be, to the people.

With your wonderful donation we were able to raise several hundred dollars for **ACS** in which we would not have been able to do without your help.

Again, thank you all very much for all of your help. Your donation will help hundreds and possibly thousands of people. We appreciate all of your help and are proud to have you as 'Honorary HoMedics Team Members'.

Sincerely,

Kim Northey
