Dear Board,

On behalf of the Motor City Chapter, Harley Owner's Group, thank you for the use of your facilities for our Motor City H.O.G. Chapter Memorial Day Run held on May 28, 2006.

Motor City Harley Owners Group is a local Chapter of the international organization of Harley Owners Group (H.O.G.), and is sponsored by Motor City Harley-Davidson/Buell at 34900 Grand River, Farmington Hills, Michigan 48335. We are a not-for-profit organization of over 1100 motorcycle enthusiasts, established in 1986.

Our Chapter activities provide assistance to many beneficial and charitable organizations. They include various motorcycle runs, garage sale/swap meets, bake sales, dinners and auctions. We appreciate the assistance we receive from local business and fraternal organizations, and individuals with these events.

Thank you again for your generosity and hospitality. Any questions or inquiries may be directed to Larry Telling, Director, at 734-691-8106.

Sincerely,
