But...

BACK BY POPULAR DEMAND!

OUR NOVELTY MATCH IS A

†† PREMIUM BLANKET SHOOT:

Prizes to be muzzleloader items \$75 value or more. See below.
(Putting down a blanket prize in this novelty match is optional)

- Some Handmade Item Suggestions:** Shooting bag † Fur hat
† Scrimshaw horn (powder/salt/rhum) † Presentation grade tomahawk
† Heirloom quality lantern/box/furniture † Trade silver (Sterling, not German)
† Quillwork or beaded items (but not production stuff from India/China)
† Arrows † Quiver † Wooden Keg † A large set of forged metalwork
† A loom or finger-woven set of sash, strap, garters

Items will be juried, and should represent 8 or more hours of quality work. (Your first patch knife, or a collection of other regular blanket prizes isn't going to cut it)
Please avoid sized items unless you plan to offer a custom fit.

We don't want to exclude those of you that are out of time, or still developing your craft, so here are just a few ideas for Purchased Items:

- † A top-quality tri-corn hat † 3 or 4 cans of powder † Hudson Bay Blanket
† The Folding Frying Pan from Jas. Townsend † Brass bucket
† A good quality item from a living history show, valued at \$75 or more.
